

Impact Life Keep Families Clean Campaign

For more information go to impactlifeincolusa.org

NEW TOOTHBRUSHES, UNDERWEAR, SOCKS AND SOAP (SHAMPOO)

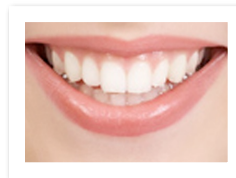

For some, the basics are hard to come by. Many within our community struggle to provide themselves with essential items such as: toothbrushes, toothpaste, soap, shampoo, floss, underwear, socks and the like. Please help by making donations of these items, in new condition only, to Impact Life in Colusa County

✕ The things we need ✕

Impact Life in coordination with schools located in Colusa County, on the idea of Thomas Welch, is conducting our Keep Families Clean Campaign.

PLEASE JOIN THE KEEP FAMILIES CLEAN CAMPAIGN

This is a competition of sorts. We are challenging our Colusa County Elementary Schools and the individual classrooms to compete and donate the most new hygienic items in their school. The classroom who brings in most new items listed below within their school will win a pizza party to be provided through Impact Life. It is essential that items collected are new and not

opened. The "Campaign" will run from March 13, 2009 thru April 24, 2009. Each item collected is a point and the classroom with the most points wins the party. The pizza party will be held at the discretion of the winning classroom teacher. We hope to raise enough supplies to last the rest of this year. Please take a moment to give to people within our community and support this program.

The things we need:

All the products donated must be in new condition with the safety seals intact.

Toothbrushes Adult
Toothbrushes Kids
Toothpaste
Dental Floss
Bar Soap
